

May 3, 2018

Dear Evergreen Country Day Families,

The Board of Trustees of Evergreen Country Day is very pleased to announce that our current Head of Nest and Elementary Schools, Jennie Anderson, will become the Interim Head of School for the 2018-2019 school year. Her demonstrated commitment to education and educational leadership gives us great confidence that under her guidance our school will continue to flourish in its mission to inspire and prepare students to thrive.

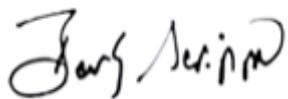

Jennie has an extensive background in the field of education and we are so fortunate to have someone with her breadth and depth of experience leading our school. Jennie earned a Master's degree in Educational Leadership from Colorado State University in conjunction with completing the K-12 Colorado Principal license program. She has a B.S. in Human Development and Family Science specializing in Early Childhood Education from The Ohio State University. She has served as a teacher, early childhood director, and administrator. Leading our learning community represents another educational pursuit in an already stellar career and we are so grateful she has accepted the position.

Jennie has already begun her new leadership role, working closely with the Board of Trustees and our strong administrative leadership team. She will be detailing to you the leadership team's plans for the smooth transition of Evergreen Country Day over the next several weeks, as the baton passes from our current Head, Brad Davies.

The Board of Trustees will be forming a Head of School Search Committee this summer and its work will begin in earnest early next fall. The committee will include trustees, teachers, staff and parents. We will send a special request before the end of this school year to seek participants in this important endeavor. Note the Committee will be seeking both internal and external applicants for the position.

As this school year so quickly comes to a close, we take this opportunity to sincerely thank you for your continued commitment to an excellent education for your amazing children, and your trust in Evergreen Country Day to provide it. It is the strength of our community that makes our school the very special place it is. Please feel free to reach out to Jennie or myself with any questions or concerns you may have.

Very truly yours,

Barb Scripps, President
Board of Trustees
Evergreen Country Day

Dear Parents and Families,

I am humbled and honored to be fulfilling the role of Interim Head of School for the 2018-19 school year. I am 100% dedicated to every student and teacher within our community and commit to work tirelessly in partnership with each of you to serve our students. I am eager to listen and learn along the way while we continue to grow and evolve.

Education is my heart, my passion, and my life. Over my 17-year career in schools I've yet to come across a school as unique as Evergreen Country Day. When I joined Country Day six years ago as a Pre-K teacher, I immediately fell in love with the community and was filled with confidence and pride to work alongside such caring colleagues. Now, six years later, I still have the same wonderful feelings and am excited to continue to serve all who make Country Day great.

I have so enjoyed working closely with many of you over the last few years, and some of you I am just getting to know more deeply. I am grateful for the opportunity to lead a school that I have so much respect for. My hope is to work with each of you to continue to cultivate a positive school culture rooted in peace and harmony. I also hope that my leadership style (one that rests on three core principles: responsibility, empathy, and respect of individuality) continues to help us build an atmosphere conducive to learning and support.

I am proud to be a co-worker, a mother, a teacher and a leader at this school. Please know that my heart, my ear and my door is always open.

Respectfully yours,

Jennie Anderson
