Summer Camp 2019

These camps are open to all children ages 18 months – 3 years. Children DO NOT need to be toilet trained. Children will explore, create, dance, bake, listen to stories and much, much more. There will be outside time on our beautiful outdoor playground and time to move in our inside tumbling area.

Bugs, Bugs, Bugs! \$250

What's that buzzing, jumping, and flying by? Come join us as we go on a bug hunt, craft some creepy crawlies, and sing/rhyme/dance all about bugs! We'll also use Eric Carle's book, The Very Quiet Cricket, to inspire various insect movements. After lunch each day, we will wind down with a buggy book for story time and then be ready to rest! Our week will end with making and enjoying our own homemade batch of Ants on a Log!

Wonderful Colors \$250

We'll read Mouse Paint and No More Paint and create our own colorful mouse and hand prints.

Pete The Cat \$250

We'll read Pete the Cat and His Cool Shoes and Pete the Cat Goes to School.

On the Beach \$250

We'll read Clark the Shark and Hermit Crabs and make our own shark puppet and hermit crab.

Little Chefs Cooking School \$250

We'll read Hey Pizza Man and learn how to crack eggs, to measure ingredients and to make our own pizza and pineapple upside down cake.

Making Waves \$250

Get ready to be wet! We will enjoy LOTS of water play, underwater crafting, action rhymes, as well as singing & dancing! After lunch each day, we will wind down with an ocean-themed story time and then be ready to rest as Baby Beluga sings us to sleep for an afternoon nap. We will complete our fun by mixing up a batch of Shark Bait to end our week together!

Summer Camp 2019

Pirate Adventure \$250

Arrrrgg! Ahoy Matey! Come join us for an adventure! We will be using maps to find the great treasure! Some of our exciting pirate activities include map making, coconut bowling, pirate bingo, creating telescopes, making pirate treasure slime, walking the plank and so much more! Let your little one be a pirate for a week!

Let's Go Camping! \$250

Has your little one ever wanted to go camping? During our camping week we will learn about hiking trails and what to look for on a hike. We will learn how to set up a tent and gear needed to go camping! We will learn about animal tracks, how to make smores and go on our own trail hike! Some exciting camping activities include making suncatchers, nature scavenger hunts, flashlight games, making binoculars, and more! Make your little one a happy camper!

Soaring into Space \$250

3...2...1...BLASTOFF! During our Space week we will be learning about astronauts, constellations, the planets, and about our moon! Some of our out of this world activities include moon phases, constellation designs, rocket ship building, space yoga, solar system rotations, moon rocks and rockets! Let your little one become an astronaut for a week!

Into the Jungle \$250

Has your little one ever wanted to go to the rainforest? Come explore what it looks like and sounds like in the rainforest! We will travel to South America and go into the Amazon Rainforest! We will find toucans, monkeys, tapirs, jaguars and more! We will learn the different layers of the rainforest and animals in each one. Some fun jungle activities include snake building, rain sticks, climbing through vines, monkey see monkey do game, and more! Come on a jungle safari with me!

Color Splash \$250

Paint-filled squirt guns, bubble art, foam sidewalk chalk, and tie-dye backpacks will help you beat the heat. Come ready for some serious outdoor summertime art fun and lots of color!

Animal Planet \$250

Let's take an adventure around the world and learn about all the different animals. We will explore different habitats and talk about our favorite animals. We will learn some super fun and weird animal facts and do some fun crafts! It will be a wild time!

A fun filled week that also includes outdoor exploration and water play.

Fairy Tale Engineering \$250

Have you ever wondered what the first little pig was thinking when he built his house or straw? Maybe you had a conundrum over whether there was another route for the goats to get across the bridge to the pasture. In our Fairytale Engineering class we will be using recycled materials to create alternative methods (or plot twist) to our favorite Fairytale stories! The possibilities and creative opportunities are endless!

Tiny Tykes Challenger Soccer Camp \$250

Over the past 25 years, Challenger Sports' vast army of international coaches have helped hundreds of thousands of boys and girls learn, improve, master, and fall in love with the sport of soccer. The British Soccer Camp program will contain Challenger's own brand of innovative practice, coached games, camp world cup, cultural education, character building, and FUN! Each camper will receive a t-shirt, ball, and jersey package.

Cuckoo Colors \$250

At Cuckoo Colors we will learn about new colors each day! There will be lots of color mixing and fun projects with BURSTS of color. Your child will have fun expressing their creativity, while getting messy doing fun arts and crafts projects!

School Age: Kindergarten – 3rd Grade Summer Camp 2019

Adventure Camp \$300

This camp is for thrill-seekers looking for an exciting escape from the summertime blur. This camp has been a favorite of ECD campers for over 10 years! Get ready as we go on a different expedition every day to some of the most popular destinations around the Denver area. Some of our favorite destinations over the years have been Boondocks, hiking, Jump Street, IMAX, and more. Spend the week with your friends as we hit the road on the ECD bus for a different adventure every day! This camp is for rising K-5th graders.

Outdoor Explore \$250

Come enjoy a new outdoor adventure every day! Students entering grades K to 3 will embark on excursions around the greater Evergreen area. Each one will involve learning about outdoor activity planning and preparation, trail etiquette and maintenance, wildlife and nature, and fun things to do! We have an all-star line-up of destinations: Evergreen Lake, Lair 'O the Bear, Alderfer/Three Sisters, Flying J Ranch, and Chief Mountain. Campers must come prepared every day with sturdy/comfortable walking shoes, day pack, water bottle, sunscreen, and snacks/lunch. Hikes will involve frequent breaks and fun play!

A Little STEAM for Everyone \$250

Curious about how things around us work? Interested in snap circuits, makey makey's, or other basic circuitry? Perhaps launching rockets or designing catapults with water balloon is your thing. Join us for a fun hands-on experience that will satisfy your curiosity for science, tinker with technology, design a prototype to solve a problem and apply your mathematical thinking in a meaningful way. Release your little engineer to the endless possibilities.

Arts and Mindfulness \$250

Sand art! Collage! Painting! Sculpture! Crafts! More! This week we will create art inspired by and devoted to our interests, feelings and experiences. Pulling from mindfulness and yoga practices, this camp will help campers to develop skills to manage stress, recover from setbacks, and improve focus--all while getting messy and having a lot of fun!

Summer Camp 2019

Rad Robots \$250

Take your robotics skills to the next level! Whether you've heard your friends and are curious about what LEGO EV3 robots can do, or you've been working on mastering specific tasks to complete challenges on a course, this is the workshop for you. Incoming 4th through 8th grade students will engage in collaborative activities to better understand how to program bots using basic commands. From there, they'll be able to take on a First LEGO League course to try out "official" challenges, without the pressure of a competition environment.
