

Dear Evergreen Country Day School Community,

I hope everyone is enjoying their last days of Summer! Your Head of School search committee has been hard at work over the break crafting our Head of School search posting and opportunity statement as we worked with our outside consultant on the search process. Our posting went 'live' and we have had several qualified applicants already apply.

We will review the final applicant pool in late August and then begin the interview process this Fall. This email will be placed in the [Head of School search section of our website](#) along with other relevant search information. Please feel free to reach out or stop me at school with any questions. I look forward to seeing everyone in just a few short weeks.

Best,
