

Day 1

Lesson

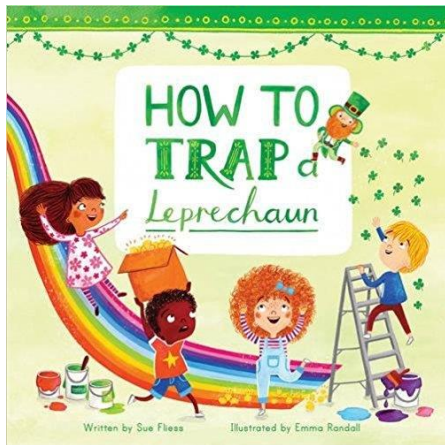

Theme: St. Patrick's Day

Discussion ?'s: Did you set your leprechaun traps that you made in Tinker Lab? If not, maybe try making one with supplies around your home! Listen to the story in the Book Folder to get some ideas.

Circle Time: Be sure to check out today's circle time video in Daily Lessons for our letter of the week and calendar.

Book:

How to Trap a Leprechaun
by Sue Fliess

Use the link in the Books folder to hear this read aloud.

**If you are able to buy some Oreo cookies in the next day or 2, on Friday you can do a moon phase demonstration.

Craft/Song:

Do you remember the colors of the rainbow? Can you create a rainbow with red, orange, yellow, green, blue and purple?

Can you sing the color songs while coloring each color?

Literacy:

Do you have some dice? Print this sight word game board and practice reading the sight words when you land on them. If you don't have dice, practice reading them.

This game board is a jpeg in the file Daily Lessons for today. The "... " button on top right allows you to download.

Math:

This should be in the packet I sent home with you on Friday. Count the objects and then color the boxes to graph the St. Patrick's Day objects.
