Letters and Colors

This week our letter is U.

What words can we think of that start with U?

Playful Activity

Paper Plate Umbrella Craft
You will need a large paper plate, scissors, sticky tape or stapler, pipe cleaners, string and blue card cut into the shape of raindrops. Refer to the craft directions in the Letter Lessons folder. Send a photo if you want and we will post and share with the class.

Letter Lesson

Draw a big letter U on a piece of paper or make a really big one on the floor with tape. Have your child use blocks or search the house for small objects to line up on the tape forming the letter U.

Music and Movement

See music and movement folder in Class Materials folder for circle time video that we recorded on the last Friday.

Find all documents, videos and music in the Teams application under Toddler 2019-20 in the Class Materials folder.
