# Early Childhood Camp Descriptions (18 months – 5 years old)

## **Ahoy, Matees! \$350**

Arrrrgg! Has your child ever wanted to be a pirate? Come join us for this fun-filled week of pirate fun! We pirates will be using maps to find treasure! Some of our exciting pirate activities include map making, coconut bowling, pirate bingo, creating telescopes, making pirate treasure slime, walking the plank, and so much more! Let your little one be a pirate for a week!

## **Soaring into Space \$350**

3...2...1...BLASTOFF! During this exciting week of camp, we will be learning about astronauts, constellations, the planets, and about our moon! Some of our out-of-this-world activities include moon phases, constellation designs, rocket ship building, space yoga, solar system rotations, moon rocks, and balloon rockets! Come learn about the planets with us!

## **Arts and Crafts Week \$350**

Does your child love arts and crafts? Then this camp is the right one! Paint-filled squirt guns, bubble art, foam sidewalk chalk, and tie-dye shirts will help you beat the heat. Come ready for some serious outdoor summertime art fun and lots of color!

## **Crazy Colors \$350**

This color-filled camp will give our young campers a chance to paint, mix, draw and splash colors! Using the outdoor space as well as the interior tables, our little campers will be encouraged to have fun while being creative! We'll read Mouse Paint and No More Paint and create our own colorful crafts!

## **Tiny Tykes Challenger Soccer Camp \$375**

Over the past 25+ years, Challenger Sports' vast army of international coaches have helped hundreds of thousands of children learn, improve, master, and fall in love with the sport of soccer. The British Soccer Camp program will contain Challenger's own brand of innovative practice, coached games, camp world cup, cultural education, character building, and FUN! Each camper will receive a t-shirt, ball, and jersey package.

## **Let's Go Camping! \$270 (4-day week)**

Who wants to go camping? During our camping week we will learn about hiking trails and what to look for on a hike. We will learn how to set up a tent and talk about the gear needed for a successful camping trip! We will learn about animal tracks, how to make s'mores and go on our own trail hike! Some exciting camping activities include nature scavenger hunts, flashlight games, making binoculars, and more! Make your little one a happy camper!

# Early Childhood Camp Descriptions

## 18 months – 5 years old (continued)

### **Splash! \$350**

Get ready to be wet! We will enjoy LOTS of water play, underwater crafting, action rhymes, as well as singing & dancing! After lunch each day, we will wind down with an ocean-themed story time and then be ready to rest as Baby Beluga sings us to sleep for an afternoon nap. We will complete our fun by mixing up a batch of “Shark Bait” to end our week together!

### **Into the Jungle \$350**

Does your little one love animals or have they ever wanted to go to the rainforest? Come explore what it looks like and sounds like to be there! We will travel to South America and go into the Amazon Rainforest! We will find toucans, monkeys, jaguars and more! We will learn about the different layers of the rainforest and the animals that live in each one. Some fun jungle activities include snake building, rain sticks, climbing through vines, a “monkey see monkey do” game, and more! Come on a jungle safari with us!

### **On the Beach – Ocean Adventure \$350**

Be sure to pack the sun hat! In this camp, children will play in the sand on our beautiful outdoor playground and enjoy some splash time too! We’ll read Clark the Shark and Hermit Crabs and make our own crafts such as a shark puppet and hermit crab to take home.

### **Animal Week \$350**

Let's take an adventure around the world and learn about all the different animals. We will explore different habitats and talk about our favorite animals. We will learn some super fun and weird animal facts and do some fun crafts! It will be a wild time!

### **STEAM/Tinker Lab Week \$350**

Using the great outdoors as our platform, our STEAM camp will promote discovery, exploration and inspiration. With the students' curiosity as a guiding force, we will answer their questions through hands-on learning projects. Curious about cloud formation? We will jump into learning about the water cycle! Curious about why worms cover our sidewalks after a rainstorm? We will build worm hotels and discuss the importance of nutrients in our soil. Science, Technology, Engineering, Art and Math will be the components we touch on each day to encourage all learners to appreciate the world around us!

# Elementary and Middle School Camps (children entering K – 8th grade this fall)

## **Adventure Camp \$400**

This camp is for thrill-seekers looking for an exciting escape from the summertime blur. This camp has been a favorite of ECD campers for almost 15 years! Get ready as we go on a different expedition every day to some of the most popular destinations around the Denver area. Current health restrictions/guidelines will guide us as we chose our destinations this summer. Some of our favorite destinations over the years have been Boondocks, Denver zoo, hiking, Jump Street, IMAX, and more. Spend the week with your friends as we hit the road on the ECD bus for a different adventure every day! This camp is for rising K-4<sup>th</sup> graders.

## **Caresplit – now called Grasshopper Kids! ([www.grasshopperkids.com](http://www.grasshopperkids.com)) \$400**

Grasshopper Kids (Caresplit) was brought to Evergreen Country Day School this school year to deliver out-of-the-box, educational experiences to the after-school program. Our partnership with ECD allows us to bring the same enrichment, extracurriculars, highly skilled teachers, and immense fun to camp this summer! Children will interact with amazing teachers and unique experiences that explore all kinds of topics while having fun. With two experiences per day, kids are immersed in a diversity of subjects and activities. Which, we believe, is what childhood, learning, and summer break are all about!

## **Challenger Soccer Camp \$375**

Over the past 25+ years Challenger Sports' vast army of International coaches have helped hundreds of thousands of boys and girls learn, improve, master, and fall in love with the sport of soccer. The British Soccer Camp program will contain Challenger's own brand of innovative practice, coached games, camp world cup, cultural education, character building, and FUN! Your professionally coached sessions typically include: Individual Foot Skills, Fakes, Moves and Turns, Freestyle Soccer, Technical & Tactical Instruction, Small-Sided Games, Daily World Cup Style Tournament, and Fantastic Cultural Experiences.

## **Evergreen Cougar Boys Basketball Camp \$200 – HALF DAY PROGRAM**

This is the official basketball camp for the Evergreen High School Boys Basketball Program. The camp will be run by NBA veteran and Evergreen resident Sasha Kaun along with EHS head coach Hal Farmwald, his staff, and current Cougar basketball players. The half-day sessions, for boys entering 3<sup>rd</sup> through 8<sup>th</sup> grade this fall, will focus on improving basketball fundamentals and skills as well as featuring contests and giving players the opportunity to compete against each other in game settings. Have fun playing basketball while learning the terminology and skill set required to play the *Cougar Way*!

## **Everything Evergreen \$350 week of June 20 and \$375 week of July 18**

Does your child want to learn about nature and explore the Evergreen trails while making new friends and building confidence? Then this is the right camp for them! Each day will be a new adventure, exploring some of our local trails. Campers should bring good shoes, a small pack with extra clothing, lunch/snacks, sun protection, and a water bottle. The camp leader will lead the group on trails suitable for everyone. There will be plenty of rest stops for games, reflections and good conversation.

## **Expeditionary Science Camp \$300 for the week of July 5-8 (4-day week) and \$375 for the week of July 25-29**

If you like learning about dinosaurs, mummies, or cool animals check out this camp! We will be taking time to research topics in depth through text, online research, and documentaries. Then we'll take our knowledge and explore! Plan for a trip to the Denver Museum of Nature and Science, and/or the Denver Zoo.

## **Fun in the Sun" \$350**

We'll be capturing the magic of pure summertime fun all in one week with activities like water play, building sand castles, blowing bubbles, and having picnics outside. Some activities include outdoor scavenger hunt, kinetic sand + sand toys, camp games, sprinkler or pool play, picnics, etc.

# Elementary and Middle School Camps (children entering K – 8<sup>th</sup> grade this fall)

## **Harry Potter \$375**

Congratulations, you have been accepted into Hogwarts School of Witchcraft and Wizardry! Come join Mrs. Lavin, 10th grade English teacher at Evergreen High School, for some magical adventures as you begin your studies as a wizard. Students will be sorted into houses, make their own wands, play Quidditch, learn about magical creatures, master spells, and participate in other enchanting classes just like Harry Potter and his friends. We will hone our reading comprehension skills while having fun with magical games, spellbinding discussions, and mystical crafts.

## **Little Passports \$350**

Join us as we travel around the world, learning about different cultures and countries through crafts, food, and books. We will “travel” to a new country each day and by the end of the week, students will have a complete passport.

## **Mountain Biking \$350**

This camp will give campers the opportunity to learn basic bike maintenance - changing tires, lubing chains, cleaning bikes, etc. Riding many local trails hand-picked by Jill Goudie to suit the age and ability of the group, riders will learn about safety and bike etiquette. We will also ride at some different bike parks in the Denver area, Golden, Lakewood, and Ruby Hill to enable the children to improve their riding skills by riding ramps, berms, small jumps and rollers, while having a lot of fun. There are two planned activities each day. A trail ride in the morning followed by a picnic lunch at a nearby park. The children have a little free time to play after lunch before we leave for our second activity. This may be a field trip to a local bike shop or a visit to a bike park. On the last day of camp, we hope to go to Evergreen lake and have some paddleboard fun.

## **Outdoor Explorers \$350**

Come enjoy a new outdoor adventure every day! Students entering grades K to 2<sup>nd</sup> will embark on excursions around the greater Evergreen area. Each one will involve learning about outdoor activity planning and preparation, trail etiquette and maintenance, wildlife and nature, and fun things to do! We have an all-star line-up of destinations: Evergreen Lake, Lair 'O the Bear, Alderfer/Three Sisters, Flying J Ranch, and Chief Mountain. Campers must come prepared every day with sturdy/comfortable walking shoes, day pack, water bottle, sunscreen, and snacks/lunch. Hikes will involve frequent breaks and fun play!

## **Percy Jackson \$375**

Do you love learning about valiant heroes and fierce monsters? Join us as we become Greek warriors through our study of the amazing Percy Jackson series! Students will craft their own armor, create art projects based on ancient myths, compete in Olympic games, and battle some wild creatures of Greek lore. Get ready to become a demigod and follow your mythical journey like Percy and his friends!

## **Snapology Camps \$320 for the week of July 5 (4-day week) and \$400 for the week of July 11**

These active camps teach S.T.E.A.M. concepts through hands-on play, using LEGO bricks and other learning tools. Our camps are designed to spark imaginations, encourage creative reasoning, and learn skills specific to the camp topic (coding, robotics, physics, engineering, animation, architecture, etc). Kids come out of Snapology camps with improved problem solving, critical thinking, cooperative play, teamwork, and presentation skills. Shh...don't tell them it's educational. We are all about FUN! Please request additional information about each camp from our camp director, Sarah Mahoney at [smahoney@evergreencountryday.org](mailto:smahoney@evergreencountryday.org) .

# Elementary and Middle School Camps (children entering K – 8<sup>th</sup> grade this fall)

## **Sticky Finger's Cooking Class \$300 – HALF DAY PROGRAM** [www.stickyfingerscooking.com](http://www.stickyfingerscooking.com)

“**Baking Boot Camp**” - Aspiring bakers who love to get their hands sticky in the kitchen will love this camp! Young chefs will learn the basics of scratch-baking and how to make everything from bread to fresh pastas, muffins to cookies, and more! In class, we use all portable baking equipment and tools, and each recipe can be recreated at home in your oven for more baking fun! Young chefs will love creating sweet AND savory baked goods in this tasty, engaging, and imaginative camp! Come and cook up some awesomely tasty morning recipes with us this summer!

“**Kids Cooking Network**” - In this exciting camp, young chefs will work together in cooking challenges inspired by favorite cooking TV shows such as Street Food, Sugar Rush, and Great British Bake Off! We will learn how to use different cooking equipment and techniques, explore flavor pairings, and create tasty mouthwatering recipes from scratch each day!

## **Summertime STEAM \$350**

Curious about how things around us work? Interested in snap circuits, makey makey's, or other basic circuitry? Perhaps launching rockets or designing catapults with water balloon is your thing. Join us for a fun, hands-on experience that will satisfy your curiosity for science, tinker with technology, design a prototype to solve a problem, and apply your mathematical thinking in a meaningful way. Release your little engineer to the endless possibilities.

## **Tech Extravaganza \$200 – HALF DAY PROGRAM**

This camp is for anyone who is interested in trying out different tech experiences! With Lego Robotics, web design, 3D printing, movie making and more, we will spend the week focusing on one aspect of tech each day. All skill levels are welcome, and students may bring their own devices with parent permission or use camp-provided equipment. It is sure to be a fun week!

## **Tennis camp \$350**

Do you like to play tennis? Do you have a racquet that you've never used, but want to try? Do you think you've maybe seen a tennis ball before? Then Mr. M's tennis camp may be right for you! Over the week we will focus on fundamental tennis skills, fitness, and fun. Tennis matches will be held as frequently as possible to test out our new found skills.

## **Spark Business Academy Camps \$250 HALF DAY PROGRAM or \$375 FULL DAY PROGRAM** ([www.sparkbusinessacademy.com](http://www.sparkbusinessacademy.com))

“**My First Lemonade Stand**” - Let's sell lemonade! Young campers become "lemonade entrepreneurs" and learn how to make yummy lemonade and earn money selling it! From designing marketing flyers to estimating profits to experimenting with recipes, campers have fun all week while developing business savvy. As an optional showcase event, campers launch the lemonade stand on Friday to raise money for a charity they select!

“**My First Food Truck**” - Campers select a food theme, choose an ideal location, identify target customers, design appealing menus, and form a comprehensive business plan covering strategy, marketing, operations and finance, including capital-raising needs. Activities include drafting mission statements, setting prices, estimating expenses and learning key financial metrics. This program offers a tasty way to develop business savvy!

Note: no food is handled at camp.

“**Jr. CEOs**” - How cool would it be for you to be the boss at Apple or Nike for a day? In this leadership program, you can! Campers act as CEOs for leading companies and collaborate to make strategic recommendations to address real business issues. Case studies include popular companies and examine the role of female and minority CEOs. Campers enhance their problem-solving skills, develop business savvy and cultivate a strategic mindset as future leaders.

## **Quest \$400**

Come join us for a week of “quests” as we head out on a different adventure each day. Depending on what will be safe for us to visit this summer, some possible quests ideas will be a trip to the Museum of Nature and Science, mini-golf, laser tag, swimming, fishing and/or stand-up paddle boarding at Evergreen Lake, hiking, exploring mines, and visiting the Denver zoo. Although we can't promise we will do each of these things because some are health and weather dependent, we are sure to have a week of fun and excitement!
