# Early Childhood Camp Descriptions (18 months – 5 years old)

## **Ahoy, Matees! \$425**

Arrrrrgg! Has your child ever wanted to be a pirate? Come join us for this fun-filled week of pirate fun! We pirates will be using maps to find treasure! Some of our exciting pirate activities include map making, coconut bowling, pirate bingo, creating telescopes, making pirate treasure slime, walking the plank, and so much more! Let your little one be a pirate for a week!

## **Soaring into Space \$425**

3...2...1...BLASTOFF! During this exciting week of camp, we will be learning about astronauts, constellations, the planets, and about our moon! Some of our out-of-this-world activities include moon phases, constellation designs, rocket ship building, space yoga, solar system rotations, moon rocks, and balloon rockets! Come learn about the planets with us!

## **Arts and Crafts Week \$425**

Does your child love arts and crafts? Then this camp is the right one for them! Paint-filled squirt guns, bubble art, foam sidewalk chalk, and tie-dye shirts will help you beat the heat. Come ready for some serious outdoor summertime art fun and lots of color!

## **Snapology Camp (Pre-K only) \$450**

These active camps teach S.T.E.A.M. concepts through hands-on play, using LEGO bricks and other learning tools. Our camps are designed to spark imaginations, encourage creative reasoning, and learn skills specific to the camp topic (coding, robotics, physics, engineering, animation, architecture, etc). Kids come out of Snapology camps with improved problem solving, critical thinking, cooperative play, teamwork, and presentation skills. Shh...don't tell them it's educational. We are all about FUN! Please request additional information about each camp from our camp director, Sarah Mahoney at [smahoney@evergreencountryday.org](mailto:smahoney@evergreencountryday.org).

## **Let's Go Camping! \$425**

Who wants to go camping? During our camping week we will learn about hiking trails and what to look for on a hike. We will learn how to set up a tent and talk about the gear needed for a successful camping trip! We will learn about animal tracks, how to make s'mores and go on our own trail hike! Some exciting camping activities include nature scavenger hunts, flashlight games, making binoculars, and more! Make your little one a happy camper!

# Early Childhood Camp

## Descriptions 18 months – 5 years old (continued)

### **Splash! \$425**

Get ready to be wet! We will enjoy LOTS of water play, underwater crafting, action rhymes, as well as singing & dancing! After lunch each day, we will wind down with an ocean-themed story time and then be ready to rest as Baby Beluga sings us to sleep for an afternoon nap. We will complete our fun by mixing up a batch of “Shark Bait” to end our week together!

### **Into the Jungle \$425**

Does your little one love animals or have they ever wanted to go to the rainforest? Come explore what it looks like and sounds like to be there! We will travel to South America and go into the Amazon Rainforest! We will find toucans, monkeys, jaguars and more! We will learn about the different layers of the rainforest and the animals that live in each one. Some fun jungle activities include snake building, creating rain sticks, climbing through vines, a “monkey see, monkey do” game, and more! Come on a jungle safari with us!

### **On the Beach – Ocean Adventure \$425**

Be sure to pack the sun hat! In this camp, children will play in the sand on our beautiful outdoor playgrounds and enjoy some splash time too! We’ll read Clark the Shark and Hermit Crabs and make our own crafts such as a shark puppet and a hermit crab to take home.

### **Tiny Tykes Challenger Soccer Camp (morning only) \$225**

Over the past 25+ years, Challenger Sports’ vast army of international coaches have helped hundreds of thousands of children learn, improve, master, and fall in love with the sport of soccer. The British Soccer Camp program will contain Challenger’s own brand of innovative practice, coached games, camp world cup, cultural education, character building, and FUN! Each camper will receive a t-shirt, ball, and jersey package.

### **Animal Week \$425**

Let's take an adventure around the world and learn about all the different animals. We will explore different habitats and talk about our favorite animals. We will learn some super fun and weird animal facts and do some fun crafts! It will be a wild time!

# Elementary and Middle School Camps (children entering K – 6th grade this fall)

## **Adventure Camp with Mr. Jordi Betts \$450**

This camp is for thrill-seekers looking for an exciting escape from the summertime blur. This camp has been a favorite of ECD campers for over 15 years! Get ready as we go on a different expedition every day to some of the most popular destinations around the Denver area. Some of our favorite destinations over the years have been Boondocks, Denver Zoo, hiking, Jump Street, IMAX, and more. Spend the week with your friends as we hit the road on the ECD bus for a different adventure every day! This camp is for rising 2<sup>nd</sup> – 3<sup>rd</sup> graders.

## **Arts and Mindfulness with Ms. Sandy Hoban \$425**

Sand art! Collage! Painting! Sculpture! Crafts! More! This week we will create art inspired by and devoted to our interests, feelings and experiences. Pulling from mindfulness and yoga practices, this camp will help campers to develop skills to manage stress, recover from setbacks, and improve focus--all while getting messy and having a lot of fun!

## **Culinary Passport - A Trip Around the World (1 and 2) with Ms. Jessica Morgan \$425**

Aspiring chefs who love to cook and travel will enjoy this camp! Chefs will cook a variety of sweet and savory recipes, gain new culinary skills, and learn about other cultures along the way. We will also incorporate other related life skills and work as a team to make grocery lists and shop for ingredients within a budget. Each camper will receive a passport they will stamp throughout the week as they travel the world through their taste buds.

## **Challenger Soccer Camp \$425**

Over the past 25+ years Challenger Sports' vast army of International coaches have helped hundreds of thousands of boys and girls learn, improve, master, and fall in love with the sport of soccer. The British Soccer Camp program will contain Challenger's own brand of innovative practice, coached games, camp world cup, cultural education, character building, and FUN! Your professionally coached sessions typically include: Individual Foot Skills, Fakes, Moves and Turns, Freestyle Soccer, Technical & Tactical Instruction, Small-Sided Games, Daily World Cup Style Tournament, and Fantastic Cultural Experiences.

# Elementary and Middle School Camps (children entering K – 6<sup>th</sup> grade this fall)

## **Engineering Challenge with Ms. Norinne Walsh \$425**

Curious about how things around us work? Interested in snap circuits, makey makey's, or other basic circuitry? Perhaps launching rockets or designing catapults with water balloon is your thing. Join us for a fun, hands-on experience that will satisfy your curiosity for science, tinker with technology, design a prototype to solve a problem, and apply your mathematical thinking in a meaningful way. Release your little engineer to the endless possibilities.

## **ESA Hybrid Soccer and Basketball Camp with Mr. Sasha and Ms. Taylor Kahn \$400 ([Evergreen Sports Academy – Home](#))**

Are you an active, bouncing off the walls, “give me a REAL challenge” type kid? Come challenge yourself and test your skills and fitness in Evergreen Sports Academy’s Hybrid Soccer & Basketball Camp! Whether you are passionate about basketball, soccer, or both; this camp will provide the opportunity to learn the fundamentals of each sport. The morning session will focus on soccer and the afternoon session will focus on basketball, with a supervised lunch and recess between sessions for a full day of fun! Fitness, agility exercises, contests, and relays will be scattered throughout the day to build teamwork and self confidence. \*Half day (1 camp session) does not include supervised lunch/recess. Must sign up for both soccer and basketball camps for a full day including fully supervised lunch/recess.

## **ESA Soccer Camp (Morning Session) \$200 ([Evergreen Sports Academy – Home](#))**

Do you love to play soccer? Whether you’ve never played or you live for your next practice, come join Evergreen Sports Academy for a week full of soccer drills, skills, fitness, games and FUN! This camp will give beginners the opportunity to learn the fundamentals of the sport, while providing experienced players the training and development needed to improve their game.

## **ESA Basketball Camp (Afternoon Session) \$200 ([Evergreen Sports Academy – Home](#))**

Is basketball your sport? Are you wanting to try something new? Whether new to the game or an experienced baller, come join Evergreen Sports Academy for a week of basketball drills, skills, games and FUN! This camp will give beginners the opportunity to learn the fundamentals of the sport, while providing experienced players the training and development needed to improve their game.

## **Everything Evergreen with Mr. Miles Dunklin \$425**

Does your child want to learn about nature and explore the Evergreen trails while making new friends and building confidence? Then this is the right camp for them! Each day will be a new adventure, exploring some of our local trails. Campers should bring good shoes, a small pack with extra clothing, lunch/snacks, sun protection, and a water bottle. The camp leader will lead the group on trails suitable for everyone. There will be plenty of rest stops for games, reflections and good conversation.

# Elementary and Middle School Camps (children entering K – 6<sup>th</sup> grade this fall)

## **Expeditionary Science Camp with Mr. Miles Dunklin \$425**

If you like learning about dinosaurs, mummies, or cool animals check out this camp! We will be taking time to research topics in depth through text, online research, and documentaries. Then we'll take our knowledge and explore! Plan for a trip to the Denver Museum of Nature and Science, and/or the Denver Zoo.

## **Harry Potter with Ms. Kaitlyn Lavin \$425**

Congratulations, you have been accepted into Hogwarts School of Witchcraft and Wizardry! Come join Mrs. Lavin, 10th grade English teacher at Evergreen High School, for some magical adventures as you begin your studies as a wizard. Students will be sorted into houses, make their own wands, play Quidditch, learn about magical creatures, master spells, and participate in other enchanting classes just like Harry Potter and his friends. We will hone our reading comprehension skills while having fun with magical games, spellbinding discussions, and mystical crafts.

## **Little Passports Art Camp with Ms. Barb Knabenbauer and Ms. Lauren Fine \$425**

Join us as we travel around the world, learning about different cultures and countries through studying arts, crafts, food, and books. We will “travel” to a new country each day and by the end of the week, students will have a complete passport of their travels!

## **Mountain Biking with Ms. Jill Goudie \$400**

This camp will give campers the opportunity to learn basic bike maintenance - changing tires, lubing chains, cleaning bikes, etc. Riding many local trails hand-picked by Jill Goudie to suit the age and ability of the group, riders will learn about safety and bike etiquette. We will also ride at some different bike parks in the Denver area, Golden, Lakewood, and Ruby Hill to enable the children to improve their riding skills by riding ramps, berms, small jumps and rollers, while having a lot of fun. There are two planned activities each day. A trail ride in the morning followed by a picnic lunch at a nearby park. The children have a little free time to play after lunch before we leave for our second activity. This may be a field trip to a local bike shop or a visit to a bike park. On the last day of camp, we hope to go to Evergreen lake and have some paddleboard fun.

## **Music and Movement / Movement and Music with Ms. Gia Ferrero \$425**

This camp is perfect for any child who loves to listen to, create, play, and dance to music! For our K through 2<sup>nd</sup> grade group, the mornings will be filled with musical study and performance, while the afternoons will focus on movement/dance. Our campers going into 3<sup>rd</sup> through 6<sup>th</sup> grade will start the day with movement and have an afternoon of music!

**Register for Summer Camp at [www.evergreencountryday.org/programs/summer-camp](http://www.evergreencountryday.org/programs/summer-camp)**

# Elementary and Middle School Camps (children entering K – 6<sup>th</sup> grade this fall)

## **Outdoor Explorers with Mr. Miles Dunklin \$425**

Come enjoy a new outdoor adventure every day! Students entering grades K to 2<sup>nd</sup> will embark on excursions around the greater Evergreen area. Each one will involve learning about outdoor activity planning and preparation, trail etiquette and maintenance, wildlife and nature, and fun things to do! We have an all-star line-up of destinations: Evergreen Lake, Lair 'O the Bear, Alderfer/Three Sisters, Flying J Ranch, and Chief Mountain. Campers must come prepared every day with sturdy/comfortable walking shoes, day pack, water bottle, sunscreen, and snacks/lunch. Hikes will involve frequent breaks and fun play!

## **Playing with Food Cooking Camp with Ms. Jessica Morgan (1 and 2) \$425**

The “art” of cooking takes on new meaning in this fun, interactive camp where food turns into works of art. In this camp, young chefs will “play” with ingredients, learning not only new culinary skills, but also how to beautifully plate their food. Each day will be a different color scheme as we cook sweet and savory recipes. Get creative and messy as we make edible creations.

## **Quest Camp (1 with Mr. Miles Dunklin and 2 with Ms. Allison Cooper) \$450**

Come join us for a week of “quests” as we head out on a different adventure each day. Some possible quests ideas will be a trip to the Museum of Nature and Science, mini-golf, laser tag, swimming, fishing and/or stand-up paddle boarding at Evergreen Lake, hiking, completing a ropes course, exploring mines, and visiting the Denver Zoo. We will outline the exact field trips closer to the start of camp, although we are sure to have a week of fun and excitement!

## **Snapology Camps \$450**

These active camps teach S.T.E.A.M. concepts through hands-on play, using LEGO bricks and other learning tools. Our camps are designed to spark imaginations, encourage creative reasoning, and learn skills specific to the camp topic (coding, robotics, physics, engineering, animation, architecture, etc). Kids come out of Snapology camps with improved problem solving, critical thinking, cooperative play, teamwork, and presentation skills. Shh...don't tell them it's educational. We are all about FUN! Please request additional information about each camp from our camp director, Sarah Mahoney at [smahoney@evergreencountryday.org](mailto:smahoney@evergreencountryday.org).

## **Sports Broadcasting with Mr. Miles Dunklin \$400**

Is your child interested in sports broadcasting? Have they ever wondered what happens behind the scenes in sports announcing? Then this is the right camp for them! Some activities for this week of camp include creating their own sports content, a social media channel, including You Tube, podcasts, media shows, visiting a professional sports arena (either Mile High or Coors Field), and appearances from Denver media personalities. Run by a professional sports broadcaster and ECDS teacher, this camp will be a huge hit with any child that considers themselves a sports nut!

# Elementary and Middle School Camps (children entering K – 6<sup>th</sup> grade this fall)

## **Studying the Masters Art Camp with Ms. Allison Cooper \$225 – HALF DAY PROGRAM**

This afternoon-only camp will dive deep into studying one famous artist each day of the week. Learning about the time period in which they lived, their culture, and artistic style. From Salvador Dali, to Jackson Pollock, to Frida Kahlo, this camp is sure to spark your child's inner artist into creativity!

## **Summertime STEAM with Ms. Norinne Walsh \$425**

Using the great outdoors as our platform, our STEAM camp will promote discovery, exploration and inspiration. With the students' curiosity as a guiding force, we will answer their questions through hands-on learning projects. Curious about cloud formation? We will jump into learning about the water cycle and develop our very own water sheds. Curious about why worms cover our sidewalks after a rainstorm? We will build worm hotels and discuss the importance of nutrients in our soil. Science, Technology, Engineering, Art and Math will be the components we touch on each day to encourage all learners to appreciate the world around us!

## **Theater Camp with Ms. Coral Herrin \$400**

Children going into 4<sup>th</sup> through 6<sup>th</sup> grade this fall will love this camp! We will play various theatre games, learn a few acting skills along the way, and have lots of fun doing it! Students will learn blocking, play with costumes, make some backdrops, learn about scripts, props, microphones, and rehearsals. The week will wrap up with a performance at the end of the week.

## **Tech Extravaganza with Ms. Arielle VanArsdall \$200 – HALF DAY PROGRAM**

This camp is for anyone who is interested in trying out different tech experiences! With Lego Robotics, web design, 3D printing, movie making and more, we will spend the week focusing on one aspect of tech each day. All skill levels are welcome, and students may bring their own devices with parent permission or use camp-provided equipment. It is sure to be a fun week!
